#### Dear Aadhunik Family

As you all are aware, we have successfully completed yet another academic session and have entered a new year with dreams in our eyes and focus in our minds. We wouldn't have been able to come this far without the support of our teachers whose resilience and commitment towards innovative and well researched teaching strategies brought us laurels. I welcome the new Principal of Aadhunik Public School, Mrs. Anjali Dogra. I am sure that this change in leadership is going to work wonders for each student for it will bestow upon the young ones, courage, self-confidence and love for learning. The past two years were full of turbulence, owing to the pandemic, and I hope in this new session education can emerge stronger than before.

#### Dear students, teachers and the parents

I heartily welcome all the students to the new session. We've overcome the past two pandemic struck years with courage and positivity. I hope this wonderful session of 2022 would turn out to be fruitful and productive for each one of you. I believe that Education is a commitment that is shared by motivated students, dedicated teachers and positively involved parents. We're extremely fortunate that we have been able to come back to regular schooling and I can see the boundless energy in all of you. All I hope is that you all behave mindfully and work creatively. Don't measure everything only academically because I want each one of my students to become morally educated as well. At Aadhunik, you're not just gaining knowledge but also absorbing culture, values and life skills.

'You have brains in your head  
 You have feet in your shoes  
 You can steer yourself  
 In any direction you choose' (Dr. Seuss)

A good beginning can help in making a big difference. Gear up yourself to start the brightest chapter of your life. All that this chapter is going to need is your time, attention and a sprinkling of positive vibes. In this academic session you will get to experience new things and learn things that you never knew of before. At Aadhunik, we educate hearts and the academics follow. Aristotle once truly said, 'Educating the mind without educating the heart is no education at all'. Keeping our vision in mind, let us all join hands to move forward with kindness and empathy. This e-magazine unfolds each one of yours imagination and gives life to your aspirations and thoughts. It is a mark of your growth. So spread your wings and get ready for the flight towards wisdom and new horizons.

Read not to contradict and confute; nor to believe and take for granted; nor to find talk and discourse; but to weigh and consider. " - Francas Bacon

Each day brings set of opportunities for the student to gain experience and knowledge in the school. Learning is the process of acquiring new understanding, knowledge, behaviors, skills, values, attitudes, and preferences. With the arrival of twenty first century we have new innovations in the field of education. Learning has become more experimental, practical and a creative process rather than rote memorization and cramming.

'Reading between the lines', 'analyzing beyond the subject' and 'critically thinking' are the few phrases in a vogue in the process of learning. The methodology has been involved and now the students are made to emphasize on the ideas of learning by doing and learning through experiences Aristotle wrote in the Nicomachean Ethics "for the things we have to learn before we can do them, we learn by doing them". It is then that we will be able to engage the students emotionally, socially, enhancing their skill and equipping them with confidence and problem solving abilities.

साझेदारी व सेवा की कद्र

“ विश्व बंधुत्व की परिकल्पना करता भारत देश महान है  
हर जीव प्रभुता संपन्न बने तो सुखमयी ये जहान है।  
जन जन की बात है जिसमे , ऐसा समग्र हमारा संविधान है ,  
साझेदारी मिश्रित सेवा ,जिसकी पहचान है।“

समाज विविधताओंका अथाह समन्दर है तथा मनुष्य समाज का अभिन्न अंग है।मनुष्य विविधमूल्यों का एक ऐसा पुंज है , जो अनादि काल से प्रकाशवान है। कहा जाता है कि सद्गुणों की खाद पा कर ही एक व्यक्तित्व का पौधा सम्पूर्ण होता है। 'साझेदारी व सेवा ' भी इन्ही सद्गुणों में से एक है। साझेदारी व सेवा एक दूसरेके पूरक है। जिन मनुष्यो में यह गुण निहित है वे 'मैं 'के स्थान पर 'हम ' शब्द को प्राथमिकता देते हैं। भारत का इतिहास इस बात का साक्षी है कि ये साझेदारी व सेवा की भावना ही थी जिसने हर भारतवासी को एक सूत्र में पिरो दिया। साझेदारी व सेवा से परिपूर्ण भारतवासियों ने निजहित को त्याग कर भारतदेश को अंग्रेजी सत्ता से आजादी दिलवाई। हम आजीवन इन मूल्यों के ऋणी रहेंगे। मूलतः प्रत्येक व्यक्ति किसी न किसी रूप से अन्य व्यक्तियों से जुड़ा है। कुछ अभिप्रायों से हम अपना व्यवहारअनुकूलित करते हैं। संसार में अनेक दर्शन केवल समाज की जरूरतों को ध्यान में रख कर ही अस्तित्व में आए हैं । जीवन क्रम के परिपेक्ष्य में यदि देखा जाए तो संबंधो का अवलोकन कई बार रचनात्मक मूल्यों पर आधारित होता है तो कई बार भावनात्मक या गुणात्मक मूल्य पर। प्रत्येक बार हम नए तरीके से साझेदारी करके अपना पथ प्रशस्त करते हैं।

स्वभाव से ही मनुष्य लक्ष्य प्राप्ति हेतु साझेदारी करता आया है। सद्भावनापूर्वक जीवन यापन करने , नव सृजन करने व आपसी सामंजस्य बनाए रखने के लिए मानव ने कुछ आयाम गठित किए हैं।ये आयाम हैं - दयाभावना , धार्मिक सहिष्णुता , सेवा भावना आदि। यह आयाम तभी वस्तुपरक बन सकते हैं , जब मनुष्यमें साझेदारी का गुण निहित होगा। 'सेवा' रूपी आयाम मनुष्य की भावनात्मकता का उत्कृष्ट गुण है। यह ऐसी स्थिति है जिसकी पराकाष्ठा होने पर व्यक्ति अपने ऐश्वर्य व सुख का परित्याग करने में जरा सा भी विचार नहीं करता है। अपना सर्वस्व अर्पण करना उसका परमसुख बन जाता है। परन्तु यदि इस सेवा से लाभार्थी मनुष्य इसे अपना अधिकार समझने लगे , तो यह स्थिति कष्टप्रद है। सेवा से लाभार्थी मनुष्य इसकी गहनता से अनभिज्ञ सेवक को भूल जाता है। इससे पहले कि समाज से ' साझेदारी ' व ' सेवा ' जैसे नैतिक मूल्यों का पतन हो जाए, इस प्रवृति को परिवर्तित करना होगा , क्योंकि " हजारों वर्षों से टिका है जो सभ्यता का वटवृक्ष इसकी छाया तले समृद्ध होता हर भारतवासी हो , ऐसी सेवा - भावना व साझेदार प्रवृति से परिपूर्ण प्रत्येक भारतवासी हो "
